

### How to Create a Password for DCAT Connect.

1. Go to <https://dcat.org/login>, enter the email address that DCAT uses to communicate with you and click "Submit".
2. After the system identifies you as a member, click the "Send Verification Code" button. An email containing the verification code will be sent to the email address that you entered.
3. Enter the following information in the expanded form that appears on the screen:
  - First Name
  - Last Name
  - Password
    - Minimum length is 8
    - At least one upper case character (A through Z)
    - At least one numeral (0 through 9)
    - At least one non-alphabetic character (such as !, \$, #, %)
  - Confirm Password
  - Verification Code (copy and paste from the email)
4. Click "Create new user". You can now log into the DCAT website and DCAT Connect
