Innovation

Engage Student Volunteers to Increase Participation

HFMA Texas Gulf Coast (TXGC) Chapter is committed to encouraging students to volunteer for chapter events and activities in order to mentor, engage, and provide opportunities to them. TXGC created a program to recruit and utilize student volunteers that allows our Chapter to be an important conduit in the student growth and career development.

This initiative was led by Julie Rabat-Torki through the Member Development Committee; Jordon Mitchell Chair.

Improvement

DeMarse Engagement/Contract

The HFMA Texas Gulf Coast (TXGC) Chapter utilized an administrator for many years. The service provided by this administrator deteriorated and the TXGC determined a change was necessary. A search was done and a new administrator was hired to provide a higher quality of service to the Chapter and its members.

This initiative was a collaborative effort and included the Region 9 committee. Texas Gulf Coast Chapter members are: Steve Hand, Chair and Mark Worthen, Chapter Representative
