The Emerging Professional Council and Leadership St. Bernard are proud to announce what will hopefully be an annual Day of Service in conjunction with Make a Difference Day, a national initiative held annually on the fourth Saturday of October. Give Back to St. Bernard invites local non-profits, businesses, governmental agencies, schools, neighborhood associations, and volunteer organizations to participate on Saturday, October 22, 2016.

The St. Bernard Chamber is seeking organizations and businesses interested in partnership to bring Make a Difference Day to St. Bernard Parish. The Emerging Professional Council will be reaching out to several organizations to contribute by selecting a project, securing volunteers, and executing the service-based project of their choice.

Emerging Professional Council and the Give Back to St. Bernard Committee will assist in the coordination of all participating entities and promotion of the event through social media and local news outlets. Interested organizations are encouraged to complete the attached form outlining project details and needs.

About Make A Difference Day?

Make a Difference Day is a national day of service, held annually on the fourth Saturday of October, that encourages neighbors to help neighbors. Make a Difference Day was founded by USA Weekend magazine in 1992, and it has grown into one of the largest community service efforts in the nation. HandsOn New Orleans annually commemorates Make a Difference Day by leading a day of service to assist neighborhoods in need of revitalization.
