## Call for Nominations: CPAG Management Committee 2017-2018

The CPAG Management Committee is responsible for the strategic direction, governance and management of the organisation. The Committee consists of eleven members and is based in Auckland.

Given the complex and multifaceted nature of child poverty, CPAG firmly believes in drawing on a wide range of skills, experience and interests in order to achieve our objectives. We are very fortunate to have the long term commitment from experts in health, education, housing, economics, and social work but are always on the lookout for new skilled people who are concerned about and committed to improving the well being of our tamariki.

All inquiries and nominations are welcome. We are particularly keen to find people who:

- Have solid experience in fundraising
- Could undertake the Treasurer role
- Bring a greater Maori and/or Pasifika perspective to our work.  
Bring a youth perspective to our work
- Have previous management experience with an NGO or other organisation

In order to nominate yourself for election at the July 2017 AGM, you must have been a CPAG member for at least six weeks before the date of the AGM (19 July) and you will be required to fill out a nomination form which is due 12 July.
