"Without a doubt the most enjoyable part of studying English at Centennial College is the opportunity to meet people from different places in the world. The opportunity of sharing, and learning experiences from all over the world is amazing."

- Marlon Casagrande, Brazil, ELL Level 4

# Centennial English Language Learning and Your Success!

## Learn English and Create New Opportunities

Centennial College offers the English Language Learning (ELL) program to provide students with the language skills necessary to meet English requirements for the workplace, education, and everyday life. The program uses modern teaching and learning practices and is ideal for the global student who is interested in learning in a multicultural environment. As well, it provides an excellent pathway towards further post-secondary education.

By studying English in Toronto, Canada, you will experience a whole new city, country and culture, and have the opportunity to make new friends for life.

## Starts Every 3 Weeks...Offered Throughout the Year!

No need to wait an entire semester to start your program.

With continuous intake and start dates, you can begin right away, or when it suits your schedule.

## Program Advantages

- continuous intake - classes start every 3 weeks, all year round
- proven approach to English language learning
- faculty members are highly qualified, dedicated English teaching professionals
- assessment places you at the right level
- classes focus on development in all four language skills: Reading, Writing, Listening and Speaking, as well as pronunciation
- multi-media language learning labs
- small, engaging classes in a dynamic learning environment
- one-on-one tutoring and conversation circles available through the Centre for Academic English
- IELTS preparation classes
- guest speakers
- field trips
- students receive a Recognition of Achievement from Centennial College after successful completion of each program level

"We participate in events that help us learn English in an interesting way. One event that left a deep impression on me was going to a museum. This trip allowed me to learn a lot about the history of Canada and make many new friends."

- Christy Choi, Hong Kong, ELL Graduate

# Five-semester, five-level program

## Flexible and Customized to Your Learning Needs

The goal of the English Language Learning program is to provide a tailored learning experience based on each student's skill level. It is designed for students whose English language skills range from very limited to intermediate level.

**Each level is 15 weeks in length** and is divided into two main classes: **Integrated Core Skills** (Reading/Writing/Grammar) and **Communication Skills** (Speaking/Listening/Pronunciation). Levels 1 and 2 include an additional course in Fluency Skills. Levels 3 to 5 have an additional course in Academic Skills.

## Curriculum

The ELL program integrates all language components into a comprehensive learning approach so that students learn, practice and apply English speaking, listening, reading, writing and pronunciation skills.

### Oral Communication Skills

- pronunciation
- presentations
- debates
- discussion groups

### Reading Skills

- increase vocabulary
- improve reading speed
- develop critical thinking skills
- understand and evaluate texts

### Writing Skills

- write formal and informal messages about everyday social activities
- develop academic writing skills

### Academic Skills

- strategies for learning
- improve time management
- learn to prioritize tasks

### Fluency Skills

- practice conversation
- improve pronunciation

### Canadian Culture

- Field trips to many interesting places in Toronto

ELL is fully accredited by Languages Canada

"I chose to study English at Centennial College because it is one of the most well known colleges in Ontario. In the English program at Centennial College, we do some [field] trips that help international students know Toronto."

- Afivi Viwoto, Togo, ELL, Level 4

# Experience Centennial, Toronto and Canada!

## Toronto – World's Fourth Most Livable City!\*

Toronto is the largest city in Canada, and one of the world's leading centres of business and finance. Our city is home to art galleries, museums, film and cultural festivals, theatres, music venues, parks, trails, and beaches. It prides itself on its welcoming spirit and cultural diversity. Canada is very proud of its reputation as a peaceful and safe country.

Toronto's central geographic location will allow you to visit renowned places such as Niagara Falls, The Great Lakes and beautiful national parks. A car, bus, train or short plane trip can take you to great cities like Ottawa, Montreal, Quebec City, New York and Chicago.

The new **Centennial College Eglinton Learning Site** is located in midtown Toronto just minutes from bustling Yonge and Eglinton streets and the Eglinton subway station. Recognized as a place that attracts a younger crowd, this very active neighbourhood is home to a variety of small and large retail stores, restaurants, businesses, and the Yonge Eglinton Centre mall.

\*Economist Intelligence Unit: World's Most Livable Cities

"Before I came to Canada, I had already heard about Canada's number one college, for its professional teaching and multicultural environment. After four months of studying in level four of the English Language Learning program, I have made remarkable improvement on my English."

- Peng Rong, China, ELL Level 5

# Housing and Services

## Centennial Student Residence

Centennial College Residence is more than just a place to sleep. It's a "home away from home" where you can develop lifelong friendships and memories. It also allows you to get involved and benefit from College activities, and to develop your English skills in a rich academic and social community.

We strongly recommend you stay in Residence during your first year to truly support your learning experience.

# Apply Today!

## ELL - English Assessment and Customized Placement

Students take an assessment test at Centennial College to ensure correct level placement in the ELL Program. Students may be placed in different levels within the program depending on his/her language skills. For example, a student may be assigned to Level 1 for Integrated Core Skills (Reading/Writing/Grammar) and could be placed in Level 2 for Communication Skills (Speaking/Listening/Pronunciation).

Students **do not** need to take an external placement test to qualify for admission.

## What You Can Expect from This Program

- communicate well in everyday situations
- participate in every day conversations
- express your opinions and ideas
- speak on the telephone
- contribute to discussions
- understand the meaning of different literature, information and charts
- distinguish between facts and opinions
- convey ideas in writing
- develop academic reading and writing skills

“English is the base of all careers right now, ....  
 “Now I have the skill to have a conversation with anyone, without doubting what I’m going to say.”

- Melanny Janneth Lasso Hernandez, Panama, ELL Level 4
