CAR SEAT CLINIC DAYS

NEED A FREE CAR SEAT? Come Join us and we will teach you how to use a Child Passenger Safety Seat and how to properly install a car seat!

Come receive training with us at the CAR SEAT CLINIC DAYS. Parents, Caregivers and Guardians can attend without an appointment between the hours of 10 am to 3 pm. Bring a referral with your children's current weight and height measurements. You can request a referral from a family physician, from WIC (only if children are participating in WIC), from GRHC or from the Head Start Program. **If you are pregnant, please, bring a referral from your doctor verifying your due date and attend a class far in advance before your due date as we do not deliver car seats to the hospital.** Bring your Tribal Enrollment or Certificate of Indian Blood (CIB) card to class. If you are a Guardian, bring proof of Guardianship documents. **We do love our precious children, but please do not bring them to class.**
