The honey and the sting, the bitter and the sweet, our daughter, keep the good things for me. The burning fire, the pure water, the man who returns, please keep all of these, all of these good things. Please do not uproot that which has been planted. Don't forget the hope. Return me, and I will return to the good land. Keep for me this house -- the garden and the wall. From grief, from the surprises we fear, and from war. Please keep the little bit that I have been given. The light and the children. The fruit which has not yet ripened nor been gathered. A tree rustles in the wind, from a distance a shooting star falls. The desires of my heart are now listed here in the darkness. Please keep all of these things for me, and keep those who love my soul. Keep the quiet and the weeping and keep this song.

All Star

Camp

F# C# Abm B
Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her finger and her thumb
In the shape of an "L" on her forehead
Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb
So much to do much to see
So what's wrong with taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

F# B C/F# B
Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
All that glitters is gold
F# E B
Only shooting stars break the mold

It's a cool place and they say it gets colder
You're bundled up now, wait 'til you get older
But the meteor men beg to differ
Judging by the hole in the satellite picture
The ice we skate is getting pretty thin
The waters gettin' warm so you might as well swim
My world's on fire, how about yours
That's the way I like it and I never get bored

Somebody once asked could I spare some change for gas
I need to get myself away from this place
I said "yep" what a concept I could use a little fuel myself
And we could all use a little change

F# B
Well, the years start coming and they don't stop coming

Didn't make sense not to live for fun

Give us time give us strength, give us life

Now I'm grown the years have passed I've come to understand
There are choices to be made and my life's at my command
I cannot have a future 'til I embrace the past
I promise to pursue the challenge time is going fast

Today's the day I take my stand the future's mine to hold
Commitments that I make today are dreams from days of old
I have to make the way for generations come and go
I'll have to teach them what I've learned so they will come to know
That the old shall dream dreams...

Next year, we will sit on the balcony and count the migrating birds. Kids on vacation will play catch between the house and the field. You will see how good everything will be next year. Red grapes will ripen until the evening and will be served chilled on the table. And languid winds will carry to the crossroads old newspapers like a cloud. Next year we will spread out hands toward the radiant light. A white heron will spread its wings wide and the sun will shine upon them.

Blowin' In The Wind

How many roads must a man walk down

Before they're forever banned?

The answer is blowing in the wind

How many years can a mountain exist
Before it is washed to the sea?
How many years can some people exist
Before they're allowed to be free?
And how many times can a man turn his head
And pretend that he just doesn't see?

How many times must a man look up
Before he sees the sky?
And how many ears must one man have
Before he can hear people cry?
And how many deaths will it take till we know
That too many people have died?

The Circle Game

Mitchell

C F C
Yesterday a child came out to wonder
C F G
Caught a dragonfly inside a jar
C F Em
Fearful when the sky was full of thunder
F G C
And tearful at the falling of a star

C F C
And the seasons, they go round and round
C F C
And the painted ponies go up and down
F C
We're captive on a carousel of time
F
We can't return we can only look
Em F
Behind from where we came
C Am Dm7 G7 C
And go round and round and round in the circle game

Then the boy moved ten times 'round the seasons
Skated over ten clear frozen streams
Words like "When you're older" must appease him
And promises of someday make his dreams

Sixteen springs and sixteen summers gone now
Cartwheels turn to car wheels 'round the town
And they tell him, "Take your time it won't be long now"
'til you drag your feet to slow the circle down

So the years spin by and now the boy is twenty
Though his dreams have lost some grandeur coming true
There'll be new dreams, maybe better dreams and plenty

They come, they come
To build a wall between us
F G
We know they won't win

Now I'm towing my car, there's a hole in the roof
My possessions are causing me suspicion but there's no proof
In the paper today tales of war and of waste
But you turn right over to the T.V. page

Now I'm walking again to the beat of a drum
And I'm counting the steps to the door of your heart
Only the shadows ahead barely clearing the roof
Get to know the feeling of liberation and relief

Hey now, hey now

Hey now, hey now
When the world comes in
They come, they come
To build a wall between us
Don't ever let them win

Let me whisper a song to you quietly, a song of love. It is dawn. A dove is cooing. Your hair is filled with dew. Your lips are like a rose to the morning. I'll pick it for myself.

Each betrayal begins with trust
Every man returns to dust

Runnin' 'round all over town givin' their forever away

and I'm a bad boy, 'cause I don't even miss her
I'm a bad boy for breakin' her heart

And I'm free, free fallin'
Yeah I'm free, free fallin'

All the vampires, walkin' through the valley,
move west down, Ventura Boulevard
And all the bad boys, are standing in the shadows
All the good girls, are home with broken hearts

I wanna glide down over Mulholland
I wanna write her name in the sky
I wanna free fall out into nothin'
Gonna leave this world for awhile

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew you
She tied you to a kitchen chair
She broke your throne, she cut your hair
And from your lips she drew the Hallelujah
Hallelujah, Hallelujah, Hallelujah, Hallelujah

Maybe I have been here before
I know this room, I've walked this floor
I used to live alone before I knew you
I've seen your flag on the marble arch
Love is not a victory march
It's a cold and it's a broken Hallelujah
Hallelujah, Hallelujah, Hallelujah, Hallelujah

There was a time you let me know
What's real and going on below
But now you never show it to me, do you?
And remember when I moved in you
The holy dark was moving too
And every breath we drew was Hallelujah
Hallelujah, Hallelujah, Hallelujah, Hallelujah

Maybe there's a God above
And all I've ever learned from love
Was how to shoot somebody who outdrew you
It's not a cry you can hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

Behold, God is my help; trusting in the Eternal One, I am not afraid. For the Eternal One is my strength and my song, and has become my salvation. With joy we draw water from the wells of salvation. The Eternal One brings deliverance and blessing to the people. The God of the hosts of heaven is with us; the God of Jacob is our stronghold. God of the hosts of heaven, happy is the one who trusts in You! Save us, Eternal One; answer us, when we call upon You. There's so many times I've let you down
So many times I've played around
I tell you now they don't mean a thing
Every place I go I'll think of you
Every song I sing I'll sing for you
When I come back I'll wear your wedding ring

Now the time has come to leave you
One more time let me kiss you
Then close your eyes, I'll be on my way
Dream about the days to come
When I won't have to leave alone
About the times I won't have to say

There is still a white sail on the horizon. Opposite a heavy black cloud. All that we ask for, may it be. And if in the evening windows. The light of the holiday candles flickers. All that we seek, may it be. May it be, may it be, Please, may it be. All that we seek, may it be. What is the sound that I hear? The cry of the shofar and the sound of drums. All that we ask for, may it be. If only there can be heard within all this. One prayer from my lips also. All that we seek, may it be. Within a small, shaded neighborhood is a small house with a red roof. All that we ask for, may it be. This is the end of summer, the end of the path. Allow them to return safely here. All that we seek, may it be. And if suddenly, rising from the darkness. Over our heads, the light of a star shines. All that we ask for, may it be. Then grant tranquility and also grant strength to all those we love. All that we seek, may it be.

God invites His children to partake of Shabbat, to rest from labor, anxiety and strife. Shabbat renews the heart, inspires wisdom, and restores dignity to life. He will proclaim freedom for all His children, and will keep you as the apple of His eye. Pleasant is your name and will not be destroyed. Repose and rest on the Sabbath day. Seek my sanctuary and my home, give me a sign of deliverance, plant a vine in my vineyard, look to my people, hear their laments. Tread the wine-press in Bozrah, And in Babylon that city of might. Crush my enemies in anger and fury on the day when I cry, hear my voice. Plant, O God, in the mountain waste, fir and acacia, myrtle and elm, give those who teach and those who obey abundant peace, like the flow of a river.

One Tin Soldier

Lambert/Potter

C G Am Em
Listen children to a story that was written long ago
F C F G
'Bout a kingdom on a mountain and the valley far below
C G Am Em
On the mountain was a treasure buried deep beneath the stone
F C F G C
And the valley people swore they'd have it for their very own

C Em F C
So go ahead and hate your neighbor, go ahead and cheat a friend
C Em F C
Do it in the name of heaven, you can justify it in the end
C Em F C
There won't be any trumpets blowing, come the judgment day
C Fmaj7 C
On the bloody morning after, one tin soldier rides away

So the people of the valley sent a message up the hill
Asking for the buried treasure tons of gold for which they'd kill
Came an answer from the kingdom: With our brothers we will share
All the secrets of our mountain all the riches buried there

Now the valley cried with anger: mount your horses, draw your swords
And they killed the mountain people 'til they'd won their just reward
Now they stood beside the treasure, on the mountain dark and red
Turned the stone and looked beneath it, "peace on earth" was all it said

Why do I worry about one?
But you put the happy in my ness
You put the good times into my fun

We've tried the goodbyes so many days
We walk in the same direction so that we could never stray
They say if you love somebody than you have got to set them free
But I would rather be locked to you than live in this pain and misery

They say time will make all this go away
But it's time that has taken my tomorrows and turned them into yesterdays
And once again that rising sun is droppin' on down
And once again you my friend are nowhere to be found

Today is gonna be the day that they're gonna throw it back to you
By now you should have somehow realized what you gotta do
I don't believe that anybody feels the way I do

Cadd9 Dsus4 A7sus4

About you now

Backbeat the word is on the street that the fire in your heart is out
I'm sure you've heard it all before but you never really had a doubt
I don't believe that anybody feels the way I do

About you now

Cadd9 D Em

And all the roads we have to walk are winding

And all the lights that lead us there are blinding

There are many things that I would like to say to you

But I don't know how

Cadd9 Em7 G

I said maybe

Em7 Cadd9 Em7 G

You're gonna be the one that saves me

Em7 Cadd9 Em7 G

And after all,

You're my wonderwall

Tzioni/Liber

יחד לב אל לב נפתח
ונראה את האור שבשמים
יחד לב אל לב נפתח בתקוה לאהבה

איך שהלב נפתח
חובק את העולם
ובקריאה גדולה
נשיר לאהבה

אמרו הכל אפשר
זה לא מאוחר
השחר כבר עלה
זמן לאהבה

ורק אם נאמין
ובלי שום דאווין
בדרך העולה
זה שיר לאהבה

Together, heart to heart we'll open, and we'll see the light in the sky. Together, heart to heart we'll open, with hope for love. The heart opens up, embraces hand to the world, and with a big shout we'll sing to love. Aay everything is possible, it is not too late. Dawn has risen already it is time for love. Together, heart to heart we'll open, and we'll see the light in the sky. Together, heart to heart we'll open, with hope for love. If we only believe, no messing around. On the road coming up, it is a song for love.

Hand in hand, one with the other with one, with one heart, so we will light. We will light a beacon for the world. Light as one nation. Hand in hand, one by one. So we will light. If there is no flour, there is no Torah. If there is no Torah, there is no flour.

Yesterday

Oh I believe, in yesterday

Suddenly I'm not half the man I used to be
There's a shadow hanging over me
Oh yesterday came suddenly

Yesterday love was such an easy game to play
Now I need a place to hide away
Oh I believe in yesterday

Your Song

Bm Bm/A Bm/Ab G
I'm not one of those who can easily hide
D A F# Bm
I don't have much money but boy if I did
D Em7 G A
I'd buy a big house where we both could live

If I was a sculptor, but then again, no
Or a man who makes potions in a traveling show
I know it's not much but it's the best I can do
My gift is my song and this one's for you

A Bm7 Em G
And you can tell everybody this is your song
A Bm7 Em G
It may be quite simple but now that it's done
Bm Bm/A Bm/Ab G
I hope you don't mind, I hope you don't mind that I put down in words
D Em G A(D)
How wonderful life is while you're in the world

I sat on the roof and kicked off the moss
Well a few of the verses, well, they've got me quite cross
But the sun's been quite kind while I wrote this song
It's for people like you that keep it turned on

So excuse me forgetting but these things I do
You see I've forgotten if they're green or they're blue
Anyway the thing is what I really mean
Yours are the sweetest eyes I've ever seen

The mountain air is clear as wine and the fragrance of pine is carried in the evening breeze with the sound of bells. In the slumber of tree and stone, captive within her dream, is the city which sits deserted and the wall is in her heart. Jerusalem of gold, of bronze, and of light, am I not a harp for all your songs? But when I come today to sing unto you and to bind garlands for you, I become smaller than the youngest of your sons or the least of the poets. For your name burns the lips like the kiss of a seraph. Let me not forget you, O Jerusalem, that is all of gold.
