

GUARDIAN[®] BUILDING PRODUCTS SHOW SPECIAL

75% OFF SELECTION CENTERS & DISPLAYS

When ordered by
March 14, 2017

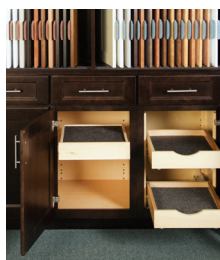

Echelon Cabinetry's newly redesigned Selection Center Display is an impressive selling tool that showcases a wonderful sampling of our product line.

The display measures 69" W x 88-1/4" H x 23-1/2" D, and includes 60 sample doors. The base of the display features 3 - B18s in our new Addison 5PC (372ADF). Crown molding gives the display the appearance of a piece of finely crafted furniture.

Ordering nomenclature: LRGSELECTIONCTR

Individual sample doors have informative labels on back sides

Base cabinets contain deluxe pull-out shelf trays for storage

Also available is our small selection center display, measuring roughly 42" W x 60" H x 25" D (height does not include signage), holding 24 sample doors. Ordering nomenclature: SMMERCHDISPECH

Echelon[®] CABINETRY

High-Quality. Great Value. **Peace of Mind.**
