

JOIN THE SCNM RESEARCH DEPARTMENT FOR RESEARCH NIGHT 2017

SOUTHWEST COLLEGE OF
NATUROPATHIC MEDICINE
& HEALTH SCIENCES

**SCNM students are
advancing the frontiers
of medicine by turning
scientific insights into
treatments that
improve patients' lives.**

FRIDAY, FEBRUARY 17

Rooms 150 & 160 / Community Commons

5:00pm

Opening Reception

6:00pm

Opening Remarks

6:15pm

Unveiling of the Center for Integrative
Naturopathic Research

6:30pm - 8:00pm

Presentation

8:00pm - 8:30pm

Meet and Greet with Presenters

MASTER OF CEREMONIES

Jon Benninger, BA, SCNM Board of Trustee, Vice President of Informa

RESEARCH DEPARTMENT CHAIR

Dr. Jeffrey Langland

**Attendance is free of charge. CME credits are available (contact L.Felton@scnm.edu).
Light refreshments will be served.**

Keynote Address: Identification of antiviral botanicals, a Zika virus model

Presenter: Dr. Jeffrey Langland

**Comparison of antimicrobial botanicals against multidrug-resistant
Staphylococcus aureus (MRSA) and Enterococcus faecium**

Presenter: Greg Jones

The antimicrobial potential of ozone therapy

Presenter: Johanne Gerstel

The evolutionary development of antiviral activity in carnivorous botanicals

Presenter: Tiffany Turner

Evaluation of methods to assess the antibacterial activity of botanical extracts

Presenter: Ashley Stein

**Identification and evaluation of botanicals with activity against Borrelia
burgdorferi, the causative agent of Lyme disease**

Presenter: Eric Nelson

**Understanding the effects of Echinacea purpurea during
Rhinovirus (common cold) infections**

Presenter: Guillermo Ruiz

sponsored by SCNM Student Government Association & Arizona Naturopathic Medical Association
