Thursday – April 20

7:30 – 8:30am

Symposium Registration - Stehekin Foyer

7:30 – 8:30am

Breakfast Buffet and Networking Opportunity

Centennial Foyer & Ballroom

Sponsored by: Säzin Group
Superior Cleaning & Restoration, A COIT Services Company

8:30 – 9:00am

Welcome and Introduction - Stehekin Room

Keith Geary, 2017 WSSHE President

9:00 – 10:00am

Keynote NFPA 99/101 Transition to Current Editions

-Stehekin Room

Jonathan Hart, P.E., Senior Fire Protection Engineer - NFPA

With the long anticipated adoption of the 2012 editions of NFPA 101 and NFPA 99 occurring last year, there are changes to the requirement that health care facilities must comply with. This session will define exactly what CMS adopted and review key provisions from the 2012 editions of both codes. Topics to be covered include:

NFPA 101 – 2012 Edition - Suite Provisions, Corridor Clutter, Alcohol-Based Hand Rub Dispensers, Chapter 43 – Building Rehabilitation, High-rise Sprinklers in existing high-rise buildings, Sprinkler System Impairments/Shutdown and Cooking Facilities.

NFPA 99 – 2012 Edition - Complete re-write and re-organization, Risk Based Approach, Wet Procedure Locations, Smoke venting from Operating Rooms, Cylinder Storage Requirements and Power strips.

10:00 – 10:30am

Beverage Break and Networking Opportunity

Centennial Foyer & Ballroom

Sponsored by: Stantec

10:30 – 11:30am

Demystifying Power Tap Use in Healthcare Setting

Stehekin Room

John Garbarino, Senior Marketing Mgr – Leviton Mfg.

There are many Codes, Standards, and organizations that define and influence the use of power strips in healthcare facilities. Learn about the different classifications of power strips, and their appropriate use throughout the facility.

11:30 – 12:30pm

Luncheon Buffet and Networking Opportunity

Campbell's Terrace

Sponsored by: Air Reps, K&H Facility Services, GLY, Siemens

12:30 – 1:30pm

Medical Gas – Stehekin Room

Carsten Lunde CMGV, RRT, ASSE 6050 Instructor, ASSE 6030 Verifier

Presentation highlights the changes for medical gas and vacuum source equipment and piping distribution systems from 1999 NFPA 99 standard to the current CMS adopted 2012 NFPA 99 requirement.

Outcome of this presentation will enable attendees to assess their current piping requirements for source equipment and distribution systems, how they are assembled, placement of components, as well as preventative maintenance checks and tests relative to the CMS expectations.

1:30 – 2:30pm

Medical Equipment Management Plan – Stehekin Room

Jeanette Thielen, CCE, Manager, Clinical Engineering, Harborview Medical Center

Jeanette Thielen will talk about the practical application and requirements of a Clinical Engineering equipment management program. She will go over the code changes and the implementation, both alternative strategies, and when manufacturer's recommendations are required.

2:30 – 3:00pm

Beverage Break and Networking Opportunity

Sponsored by: MAS Architecture

3:00 – 4:00pm

Managing Maintenance Records through Regulatory Change in the Digital Age – Stehekin Room

Marnie Boomer, Facility Manager – Providence Centralia

The presentation will include an overview of the impacts that the recent regulatory changes have on Facility Services record keeping. The discussion will also include examples of: ways in which Facility Service Departments across Washington use digital means to manage records, a summary of the benefits and vulnerabilities, and successes using digital formats rather than paper during a jurisdictional review.

4:30pm - 6:30pm

The “Barney Richmond Classic” Miniature Golf Outing

Setup and host by: Notkin Wood Harbinger Alliance

Sponsored by: The Part Works; Johnson Controls; Olympia Sheet Metal; Cole Industrial; MAS Architecture; SimplexGrinnell; Blue Architecture; Flow Control

Industries, Bouten Construction, Siemens, Servpro of Seattle, Power A/E Consulting, PCS Structural Solutions, Kimball® Health, Aldrich& Associates Inc., Honeywell, Compliant Healthcare Technologies, LLC

Enjoy the fun of this WSSHE - sponsored miniature golf outing. This year's theme is **Star Wars**. Players will vie for the coveted WSSHE Green Jacket awarded to the best dressed Star Wars golfer. The miniature golf course is within walking distance from Campbell's Inn and Resort. Spouses and friends are welcome.

8:30 – 9:30am

Case Study – Behavioral Health Issues - Stehekin Room

Brad Jones, Property Management Director/Construction Manager, Comprehensive Healthcare

Matt D. Reed, Architect, BORArchitecture, PLLC

Lessons learned from the design and operations of facilities and spaces for Behavioral /Mental Healthcare providers.

9:30 – 10:00am

Beverage Break and Networking Opportunity

Centennial Foyer

Sponsored by: Abbott Construction

10:00 – 11:00am

Case Studies from WSSHE Members on Everyday Experiences – Stehekin Room

Kevin Kajita CHFM, Assistant Director of Facilities – NW Hospital

Clay Ciolek, CHFM, Facilities Management – MultiCare Health System

David Bain MBA, Director of Facilities – Grays Harbor Community Hospital

Last year CMS adopted the 2012 NFPA 99 & 101. At this time TJC took the opportunity to review and revamp their process for accreditation survey. This new process was rolled out in January of 2017, leaving healthcare organizations to deal with changes to both new code compliance and the verification process. This presentation will look at what the process looks like now based on the experience of your fellow WSSHE comrades. Will you be ready? Let's find out.

11:00 – 12:00noon

Buffet Lunch and Door Prize Drawing

Partially Sponsored by: **DCI Engineers**

The legend of "Red Shoes" continues with many attendees winning a door prize to close out another successful symposium.
