RENEW

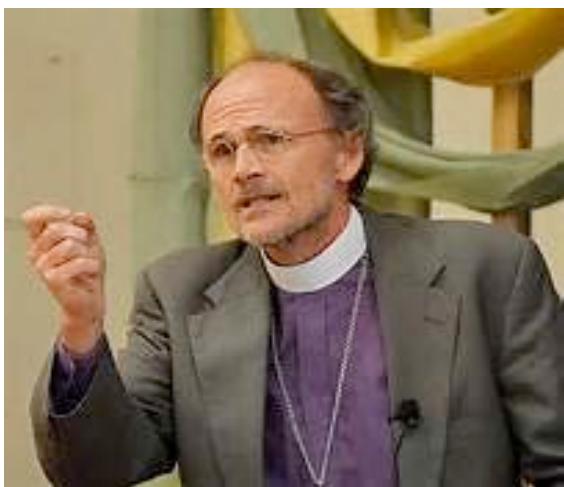

**“Confidence in
Confusing Times”**

“Developing Courage in an
Age of Anxiety”

June 22-24, 2017
Sacramento Camp &
Conference Center

SPIRITUAL

Who

Thaddeus (Thad) Barnum serves as an Anglican Bishop in Residence at All Saints, Pawleys Island, SC. He is a graduate of Yale Divinity School and the author of three books: Real Identity (2013), Real Love (2014), and his newest book, Real Courage (2016).

For Renew 2017, Bishop Barnum's conference theme will be "Confidence in Confusing Times". How do we live as Christians and deal with our fears in the face of all that plagues us these days? In the world courage comes from within. In the Bible courage comes from God. "For God gave us a spirit not of fear but of power and love and self-control" (2 Tim. 1:7). Prepare for a time of encouragement, self-reflection, and renewed confidence in June!

First Annual Spiritual Renewal Conference

The Anglican Diocese of the Southwest presents the first Renew Conference, June 22-24, 2017. Come and hear our keynote speaker Bishop Thad Barnum. He'll share his experience with strengthening and encouraging followers of Jesus in pursuit of greater confidence and hope in God. We also have a time for smaller sessions exploring our theme of renewal. There is a kids' program to run concurrently with the adult program. We are building in time to take advantage of the beauty of the retreat center. Kids of all ages will love the outdoor activities available. Walk. Hike. Hang out and visit with new friends. It's all here.
