**3<sup>rd</sup> - 5<sup>th</sup> Grade Hebrew CHEVRUTA (TUTORING) 1:1 & 2:1**  
**Scheduling Form 2018-2019**  
**Please Return To Front Office**

The 3<sup>rd</sup>-5<sup>th</sup> grade Hebrew *Chevruta* 1:1 and 2:1 consists of weekly Hebrew instruction. Student meets with a Hebrew teacher for 40 minutes each week to build and strengthen Hebrew language and prayer reading skills. The *chevruta* learning format provides more individualized instruction. Tutoring takes place at PTBE unless special arrangements have been made with Rabbi Lisa Kingston. The weekly Hebrew session is in conjunction with one of the following education program options: *Rishonim* (Sunday School) or *Kesher* (Connection).

Below, please **indicate your top 3** scheduling preferences for the Hebrew *Chevruta* 1:1 OR 2:1 paired learning. Please list 3 different days and a 2-3 hour window of time for each day that the student(s) would be available. We will not schedule tutoring sessions after 6pm or on Friday nights or Saturdays. We will do our best to accommodate one of your scheduling preferences. Tutors and schedules change from year to year. **Priority will go to completed registration that is submitted by the due date (May 14, 2018) and will also go to students with identified special learning needs.** We understand that some families are trying to coordinate with sibling schedules and we will take this into consideration. NOTE: Please be mindful that *chevruta* schedules are not flexible. If you foresee schedule conflicts (ie: sports), we recommend you register for *kitah*.

**Submit this form with your registration.** We will notify you of your child's Hebrew tutoring day and time in June/July.
