Pennsylvania's First and Only Recovery High School

***A limited number of eligible students
can enroll in a pilot program
supported by the PA Departments of
Education and Drug and Alcohol
Programs and attend TUITION FREE.***

Beyond the pilot, families living in PA
can access other tuition
elimination/reduction opportunities.

Call today and staff will help guide you
through that process.

**For students in grades 9-12 who have
substance use disorder, Bridge Way offers:**

- A challenging academic program with a low student to teacher ratio
- Tools and strategies to build recovery and resilience
- Learning support services

Bridge Way may be for you if:

- You have 30 days of sobriety
- You are/will actively work a recovery program
- You want to be prepared for college or other postsecondary education or training
