to me

Dear Doug,

Thank you for your recent correspondence regarding Visit Florida. It is important to me that every voter feels welcome to share their ideas and opinions with their representative and I am pleased you took the time to do so.

I believe that it is important for Florida to assure that there is a return on investment on funds expended on economic projects. This bill does not address this issue or the issue of transparency and instead completely ends the programs of Enterprise Florida and Visit Florida. **I accordingly will be voting no on HB 7005.**

Please do not hesitate to contact my office with any further questions or comments. I am honored to be your representative in the Florida House of Representatives and appreciate the opportunity to respond.

All the best,

Lori
