

## Management Services New Associate

### Margaret Munster, Senior Consultant

Margaret Munster works within our Global Management Services team and is based out of Houston, TX. Margaret has extensive experience in contract review and negotiations, divestiture project management, development of policies and procedures, and SAP implementation.

Prior to joining TCG, she served as Contract Specialist for ABM where she managed the US Records Program, including discovery for legal matters and audits. In other roles, she managed a \$26M annual Global Procurement Card Program and directed multiple travel related supplier contracts.

## Project Management Office New Associates

### Mary Murphy, Project Manager

Mary Murphy joined TCG's PMO located in the Charlotte, NC headquarters, during the third quarter of 2017. Mary's professional career is expansive and includes Human Resources, Business Continuity, Technology, as well as Program Implementation. With 17 years of experience comprised of Project Management and PMO across multiple environments, Mary brings commitment to addressing the needs of her clients.

Mary's prior roles include 28 years with Schneider Logistics/Schneider Communications serving in various roles and departments. Thereafter, she worked with Cardinal Logistics, 3PD Logistics, Lowes, Family Dollar, AAA and ACN Communications in multiple project management capacities.

### Matt Burnett, Project Manager

Matt Burnett also joined TCG's PMO as Project Manager during the third quarter. Matt possesses an extensive education in business and management, including a Bachelor's Degree in Political Science from Greensboro College in North Carolina and an MBA in Organizational Leadership from Southern New Hampshire University.

Prior to TCG, Matt worked as a Project Manager for Nascent Technology where he worked with the company's largest clients including Wal-Mart, APM Terminals, and Norfolk Southern Railways. One of Matt's biggest accomplishments has been leading the implementation of a site refresh at Wal-Mart's flagship distribution center in Bentonville, Arkansas. Additionally, Matt's project management experience extends to Marketing, User Experience (content driven), and Website Redesign.

## Project Delivery Team New Associates

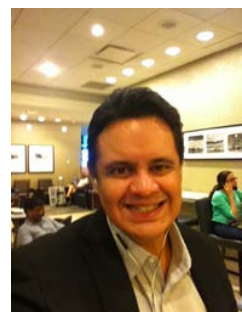

### Michael Toles, Senior Consultant

Mike Toles joined TCG Consulting as a Sr. Consultant working within our Global Payment, Expense and Invoice Management Practice. Mike is a Six Sigma Green Belt and a Certified Project Manager with a BA in Finance from Wayne State University.

Prior to TCG, Mike's experience includes positions such as Global Travel Manager - Owens Corning, and Finance PM and Accounting Manager at Meritor, Inc. Mike has a blend of experience in travel, accounting and finance, coupled with systems and technology integration experience. He has implemented Concur Travel and Expense globally and integrated it with Oracle and SAP.

### Albert "Bert" Fernandez, Senior Consultant

Albert Fernandez has joined TCG as a Senior Consultant working within the Global Payment, Expense & Invoice Management Practice. Albert has extensive experience implementing T&E Management Systems and a successful track record of implementing T&E Systems globally across many industries including Higher Education, Pharmaceutical, Financial, Energy and Technology industries.

Prior to TCG, Albert's experience includes 20+ years working as an Independent Consultant and Business Analyst in global T&E deployments, software development and project management. Other specialties include

Information Technology, ERP Integration, Concur Travel and Expense and client relationship management skills.

## Global Business Services Center New Associates

### Blesilda "Pom" Corpuz, General Manager

Pom Corpuz joined TCG Consulting as the General Manager for the Global Business Services Center (GBSC) in the Philippines. Pom brings to her new role 11 years of experience serving across APAC Quality Advocacy and Program Management in the Travel industry. In her former role with Carlson Wagonlit Travel Philippines, Pom managed the overall travel program for the Manila Global Service Center.

She has extensive experience in managing operational teams and reporting requirements. Her experience also includes change management, developing standard processes and procedures and identifying solutions while aligning with client deliverables.

---

## **Marino “Mar” Jubilag, Corporate Card Associate**

Mar Jubilag recently joined TCG’s GBSC team as Card Administrator supporting various clients. Much of Mar’s work experience has been within the Shared Service Industry where he has worked with P-Card, CTA, Shuffler, and VCA Programs for Bank of America. Additionally, he has worked with T&E programs (review and audit), as well as AP invoice payments.

Mar has a Yellow Belt Six Sigma Certification and has completed the Six Sigma Green Belt program training. He graduated from Central Philippine University in Iloilo City with a B.S. degree in Commerce Management Accounting.
