Please Join Us

**Wednesday, June 20, 2018**  
**World Refugee Day**

**Media Event @ 11:30**  
Fells Point Pier, Broadway and Thames Streets 21231

Be the first to see a photo story of refugees and American citizens  
sharing their fears, their stories and their journey toward hope.

From 9 am to 3 pm, meet award-winning photographer and artist [Jeremy Cowart](#),  
who captured these gripping faces and voices. His mission to explore  
the intersection of empathy and creativity comes to life in a campaign that provides a  
rare safe place for today's critical conversations.
