

ARA Safety Committee Publishes First Newsletter of 2016

ARA Safety Committee Chairman Doug Reinert urges all ARA members and especially member facility safety supervisors to read the first WorkPlace Safety Newsletter of 2016 emailed separately to you and provided [here](#) for your convenience. The one-page easy-to-read format will remind you to post your OSHA Form 300A **TODAY** and to replace your MSDS forms with the new SDS format. So read this safety newsletter today and don't miss out on learning what you need to know about safety!

ARA Safety Committee Newsletter/Articles

(Click on each link below to read the complete article)

Volume 1: [OSHA's New HazCom/GHS Enforcement Directive – What You Need to Know to Avoid OSHA Fines!](#)

Volume 2: [AVOID OSHA FINES! Safeguard Your Power Tools and Train Your Employees](#)

Volume 3: [AVOID OSHA FINES! Use Proper Hoists and Latches to Lift Engines](#)
