

Press Release – for immediate release

Palmer and Sicard Employees make donation to Richie McFarland Children's Center

By Kathy Fisher

February 1, 2017

Palmer and Sicard is giving back to the community with a donation to the Richie McFarland Children's Center in Stratham, NH. During their annual holiday celebration the employee owned mechanical contracting company raised \$2,240 and chose to donate those monies to the area organization. The Richie McFarland Children's Center is an early childhood program whose purpose is to help young children reach their full developmental potential and to support their families through that process.

Over the past six years, the employees have raised more than \$10,000 to donate to area organizations with the belief that giving back to the community is an important part of doing business.
