This seminar includes a PowerPoint program of the Analysis of the Changes, 2017 NEC, by the International Association of Electrical Inspectors enhanced with additional changes, illustrations, pictures and animated slides prepared by M.R. Hilbert. Each participant will receive a copy of the IAEI's *Analysis of Changes*. This workbook is a great source for an in-depth look at the changes and for future reference. ALL NEC seminars require a code book.

⇒ **NFPA 70: National Electrical Code (NEC) 2017 REQUIRED** Softbound w/tabs can be ordered with registration.

- Check-in begins at 7:30 a.m. Class starts promptly at 8:00 a.m. / ends at 5:00 p.m.
- You must present all electrical licenses and a photo ID.
- You must have a copy of your 2017 NEC for class.

**See reverse for registration dates and locations**

### INSTRUCTOR

**MARK R. HILBERT** - Mark was the former Chief Electrical Inspector for the State of New Hampshire and now operates a private electrical inspection, training and consulting business. He is a licensed master electrician in three states, a certified electrical inspector by the International Association of Electrical Inspectors and a Certified Electrical Safety Compliance Professional. Mark is a former member of NEC Code Making Panel 4 and currently a Principle member and Chair of NEC CMP 2 and the NFPA 79 Committee. He is an IAEI and NFPA seminar instructor and has taught the NEC, NFPA 79 and NFPA 70E domestically and internationally for over 15 years.
