SUMMER ENRICHMENT CAMP

A Message from the Program Director:

Dear Students and Parents,

Welcome to **enGAGE!** Summer Enrichment Camp! We are pleased to offer a unique program that inspires kids to stretch themselves beyond grade-level standards and to use higher order thinking skills to become creative problem solvers. We expect students to thrive with time and encouragement from our talented faculty, to deeply investigate topics of interest, to learn to ask questions that will lead to a lifetime of discovery and to have FUN with other students who share their interests! Our program includes courses for incoming 4th, 5th, 6th, 7th & 8th graders!

We look forward to an enGAGE-ing summer!

Sincerely,

Lynn Gatehouse, M.A.
