Henderson Chamber to host 2017 in Summation: Biannual Nevada Legislative luncheon June 22

Join us and our featured speaker and the HCC's contract chief lobbyist, Rocky Finseth who is president/CEO of Carrara Nevada, for an inside look at key bills state legislators acted on that will impact local businesses, discuss HCC's role in the advocacy process to protect members and get a glimpse of what the political and policy landscape may look like into the future for the State of Nevada.

Finseth's firm, a veteran government affairs and lobbying firm in the state, has been at the table and in the mix of many of the major political decisions in Nevada for more than 20 years, including on behalf of the HCC since 2014.

With more than two decades of experience himself at the local, state and federal level, Finseth is a well-respected mainstay in the statewide policy and political sphere and has received numerous recognitions for his work in developing powerful and proven political programs throughout the state.
