

Is Looking for a Charity Partner to Share the Wealth!!!

Leadership Henderson is...

Leadership Henderson is a program devoted to strengthening the community by educating and empowering civic-minded professionals with a goal of building and maintaining a strong network of effective leaders. Participants learn through interactive experiences involving simulations, panel discussions with experts and established community leaders, plus exclusive tours on location with industry leaders that impact the residents and businesses that call Henderson home.

Giving Back to the Community...

Part of the program's mission is to give back to our Henderson community by partnering with a charitable organization for our annual FUNdraiser: Biddin' for Bottles (BFB). We are ready for our 9th Year of this event and are looking for another partner! This event raises both funds and awareness for the cause we choose. This

year, BFB will be held on Saturday, March 9th, 2019 and will boast a variety of wines for bidding, as well as silent auction baskets and a live auction on valuable wines and goods. The BFB committee, and volunteers from the Leadership Henderson alumni, will meet a minimum of once a month beginning in October 2018 to plan and procure all the event entails. Our venue for the ninth annual year will be Dragon Ridge Country Club.

Last year, our well-deserving partner was the Children's Heart Foundation who, through their commitment and partnership, was awarded just over **\$15,000** of the over **\$61,000 in net proceeds** from the event. This request for proposal is to provide charitable nonprofits the opportunity to apply for consideration to be our 2019 partner. And... based on their participation level, receive up to twenty-five percent (25%) of the proceeds.

Leaders Ready to Show Us the Money!
