

Join Henderson Mayor Debra March, Henderson City Council, Henderson Fire Chief Shawn White, Henderson Professional Fire Fighters President Dan Pentkowski, and Henderson Hospital CEO Sam Kaufman for the launch of Safe Pools Rule!

March 22, 2018 at 10:30 a.m.

Henderson Multi-Generational Center:
250 S Green Valley Pkwy, Henderson

Drowning is a leading cause of preventable and unintentional death for young children in southern Nevada and Safe Pools Rule! sends a concise message to keep everyone safe this summer. We are proud to partner with community leaders in a collective mission to educate the community on how we can eliminate this tragedy from occurring.

During the launch, you will hear from the Safety Squad, witness a mock drowning and learn what steps you can take to have a safe and fun pool season!
