## **September is the Perfect Time to Get a Library Card Be part of Library Card Sign-up Month**

**Henderson, NV** – If you don't have a Henderson Libraries card, you're missing out! Being a library patron offers a world of conveniences that don't cost anything...there's not much else out there that can claim that. September is the 30<sup>th</sup> anniversary of Library Card Sign-up Month so it's the perfect time to start, or reestablish, your relationship with Henderson Libraries.

Whether you are a library traditionalist looking for a book or someone looking for something more technologically advanced (like Ebooks, digital audiobooks, or streaming music and movies), Henderson Libraries is here to make life easier. In addition to these offerings, the library district also accepts requests (up to five requests per person each month) for items not found in the library catalog.

"With school back in session, it's the ideal time to sign up for a library card if you don't already have one," says Henderson Libraries Executive Director Marcie Smedley. "The free resources, events, and services offered by our libraries lead to academic achievement and lifelong learning. Having a library card is one of the best back to school supplies available!"

Whether you choose to apply for a library card in person at one of our four convenient branches (listed on the website [HendersonLibraries.com](http://HendersonLibraries.com)) or apply online, cards can be picked up at your chosen branch with picture ID and current proof of Nevada address. Patrons under the age of 18 must be accompanied by a parent or guardian to pick up library cards and obtain permission for Internet use.

Established in 1944 as a single library in Downtown Henderson, Henderson Libraries operates four locations in Henderson, providing free access to materials, programs, and services to meet the diverse and varied needs of the community throughout Southern Nevada. For more information, please visit [hendersonlibraries.com](http://hendersonlibraries.com).
