MEMBER2MEMBER MARKETPLACE ADS

The HCC Member2Member Marketplace (M2M) was created so that our members would have an affordable way to advertise their special promotions and offers to other members as well as to the general public. The first Friday of each month the HCC M2M is emailed to over 6,000 contacts and posted on our social media pages, allowing our 8,000 followers to view it with just a click of their mouse. Offers are also shared on our "HCC M2M" webpage which is hyperlinked in our HCC News eblasts.

Ads in the HCC Member2Member Marketplace eblast will include your logo and a limited number of words as well as a link to your company's website or any other online site of your choosing. Offers can be general in nature ("Free consultation...") or as specific as you would like ("20% off all sweaters until January 4, 2019"). These are not "coupons" so offers should be good without the customer needing to print anything in order to redeem the offer. Promo codes can be used, though, and should be included in the text you submit for your ad.
