

Co-Operate on Water

is the downtown hub for Henderson coworking and provides a collaborative office venue to grow your business and meet with your clients. Whether you're a startup, consultant, remote worker or team of entrepreneurs, our community welcomes businesses like yours as part of our team.

We place our tenants on a path toward success by offering access to flexible workspaces, cost savings, shared resources and a community of professionals you can count on.

\$30 a day drop-in
