## Sam Rizzio Youth Fly Fishing & Conservation Clinic Saturday, April 22, 2017

The Upper Chattahoochee Chapter of Trout Unlimited, the Chattahoochee Nature Center, The Fish Hawk, the Atlanta Fly Fishing School, Bass Pro Shops, the Georgia Women Fly Fishers, Alpharetta Outfitters, and ZWJ Investment Counsel are pleased to announce a comprehensive one day fly fishing clinic for young men and women, ages 10 to 15. The clinic is designed for the beginning fly fisher and will provide basic instruction in all phases of fly-fishing including fly-casting, knot tying, insect identification, and conservation. Certified instructors and mentors will work with students to provide individual instruction and answer questions about fly-fishing. Upon completion, each student will be awarded a certificate and receive a box of flies. In addition, there will be a variety of fly-fishing equipment worth hundreds of dollars for give-a-ways and drawings.

The clinic will be held at The Chattahoochee Nature Center (9135 Willeo Road, Roswell GA 30075) on April 22, 2017 between 8:30 AM and 1:30 PM. Lunch will be provided. The clinic will be limited to 36 students and is offered at a cost of only \$20 per student. Parents or guardians may stay and observe the clinic or drop-off the student and pick them up no later than 1:30 PM.

### What to Bring

Students will be provided all necessary equipment, but should bring weather appropriate outdoor clothing, a brimmed hat, sunglasses or prescription glasses (mandatory safety item), insect repellent, and sunscreen. Students who prefer to use their own fly rod may do so. No hooks will be used on the line; this is an instructional day. All instructors are eager to teach the art of fly-fishing and pass along their interest in conservation, so bring lots of enthusiasm to class.

***Students who have previously attended this clinic are not eligible to attend again.***
