

Boulder County Household Hazardous Materials Management Facility Now Accepting RESIDENTIAL SHARPS

SAFE HANDLING TIPS FOR SHARPS

- Use industry standard sharps containers or strong, puncture resistant, leak proof containers with screw-on lids*
- Use a black or dark-colored marker write: "Sharps – Do Not Recycle" on the container
- Place the intact sharps into the container immediately after use
- Drop off at the Boulder County Hazardous Materials Management Facility

*Examples of acceptable empty household generated containers that may be used for sharps waste include: laundry detergent jugs, bleach bottles, or other High Density Polyethylene (HDPE) plastic containers with screw-on lids. These containers should be stamped on the bottom with the #2 symbol (shown below) which designate that they are acceptable for Sharps use.

Mark and label bottle **SHARPS DO NOT RECYCLE**.

Open to residents of Boulder County, City and County of Broomfield and Town of Erie:
Wednesday - Saturday 8:30 a.m. - 4:00 p.m.

Hazardous Materials Management Facility, 1901c 63rd Street, Boulder, CO 80301
