

## Basecamp Dam Mountain Trail Hike

Saturday, March 10, 2018 – 9:00 a.m.

Come along with Basecamp on our pre-spring hiking excursion at beautiful Lake Catherine State Park. Plan to hike the 4 miles of moderately difficult terrain and enjoy some early spring sights and sounds of nature. We will meet at the Lake Catherine State Park Visitor Center @ 9:00 AM. Hike will be at a relaxed pace with plenty of time for pictures and soaking up some of Arkansas' natural beauty. Tickets are free, but registration is required. We need a minimum of 10 participants. Wear weather appropriate clothing and comfortable, sturdy footwear and remember to bring water and snacks!
