

**17th Annual Village Walk for Cancer Research  
Sponsored by the Village Walk for Cancer Research**

Balboa Pavilion - 476 Ponce de Leon Drive

September 29, 2018 – 7:30 a.m.

The Village Walk for Cancer Research is a grassroots volunteer initiative of community members who have a passion to raise money for cancer research. Our goal is to raise \$50,000 and register over 400 walkers. All of the money raised will be designated for the “Seeds of Science” Program at WPRCI and used for cancer research. The walk is Saturday, September 29, 2018, at the Balboa Pavilion, with the opening ceremonies and walk starting at 7:30 am, rain or shine, before the walkers take off on the Balboa and Hernando Trails.

The registration fee is \$30 (fee includes t-shirt) and after September 1st, \$35.

Please join us as a walker, sponsor and/or donor and help us make a difference as we “Walk Away Cancer!”
