

# HAND IN HAND at Day CAMPS@THE J

Inclusion at Day Camps@The J means welcoming all, regardless of age, faith, ethnicity, need or ability. This belief helps make us a strong and supportive community and upholds the Jewish — and universal — values of welcoming guests, kindness, respect, and communal responsibility. **Individual differences are to be celebrated and can only further enrich the JCC community.**

Day Camps@The J's Inclusion program, Hand in Hand, provides children grades Pre-K – 8 the opportunity to participate in a typical summer camp environment in a supportive setting. We work with children of varying abilities to reach their fullest potential, both developmentally and interpersonally. With the facilitation of our amazing counselors, Hand in Hand campers have the ability to **develop positive relationships, appropriate social interactions and communication with their peers.** Each day at camp includes therapeutic social skills led by professionals and activities to reinforce what was learned to encourage social engagement with others. Hand in Hand is a fun inclusive summer experience that will cater to your child's needs. Interested prospective families will need to be accepted through a formal in-take and evaluation process.

Two 3-Week sessions:

July 2 – July 20 and July 23 – August 10

Pre-K: Monday – Friday, 9 a.m. – 1 p.m.

Grades K – 8: Monday – Friday, 9 a.m. – 4 p.m.

“The **trust, kindness and love** was felt the second we set foot on the campus. I can not say enough about it or the staff.”
