FEES AND ACCEPTED INSURANCE

Participants between the ages of **9 years to 64 years** will be charged **\$35.00** for the seasonal influenza immunization.

Participants **65 years of age or older** must bring their Medicare Advantage ID Card/Traditional Medicare Part B Card or a fee of **\$35.00** (Seasonal); **\$45.00** (High Dose); **\$90.00** (Pneumovax 23); **\$180.00** (Prevnar 13) will be charged for the immunizations.

☞Medicare Advantage Plans DO NOT cover pneumonia immunizations received at public clinics.

☞Pneumonia immunizations must be over one year apart or Medicare will not cover the cost.

Shingles vaccine which is recommended for adults **60 years of age and older** will be available at all flu clinics, but quantities will be limited. Shingles vaccine is also available through the Division of Family Health Immunization Clinic. Appointments are recommended (203-622-6495). The charge for shingles is **\$215.00** (limited quantities at clinics – cash/check only– receipts available).

Checks should be made payable to the “**TOWN OF GREENWICH**” and if paying with cash, exact change will be appreciated.

Medicaid will not be accepted; however, patients are advised to call 203-622-7851 for further assistance.

Credit cards will not be accepted.

Short sleeves and attendance no earlier than 15 minutes before the start of the clinic will be appreciated.

The public is encouraged to call the flu line at: **203-622-3774** prior to attending any clinic. All changes to the set schedule will be recorded and publicized to the best of the Department’s capability.
