The Hand in Hand (Yad B'Yad) unit of O-la-mi offers a unique summer experience for rising Pre-k – Kindergartners and 3rd – 8th graders with a variety of needs including, but not limited to, communication and learning differences, ADD/ADHD, social anxiety, sensory motor integration challenges, and those on the spectrum. The mission of this program is to improve each child's ability to develop positive relationships and make social connections in their community and with their peers, as well as create a fun, inclusionary summer experience!

## יד ביד Hand in Hand

Pre-k – Kindergarten and Grades 3 - 8

Hand in Hand includes a daily combination of therapeutic social skills provided by clinicians, along with an inclusion program to reinforce what was learned and to encourage social engagement with others. Each potential participant should call for an interview with the Inclusion Coordinator. Families will be notified of acceptance into the program based on this process.
