

Mad Science Summer 2018 Programs

Held at **Bendheim Western Greenwich Civic Center**

"Fizz"-ical Phenomena & Che-Mystery

(Entering Grades 1-6) June 25th to 29th

Take a walk on the wild side in this crazy week of sleuth science. Have a ton of fun as we whip up potions and experiment with all kinds of chemical reactions, including growing our own crystals, making sidewalk chalk, and learning the science of chromatography! Mix it up as we experiment with molecular madness, radical reactions and "fizz"-ical and chemical reactions. Discover what those crazy chemists are really up to in their laboratories! Then use everything you've learned to solve the Mad Science Mystery; even Sherlock couldn't figure this one out! Everyday a fun take home experiment like **SLIME!!**

Spy Academy

(Entering Grades 1-6) August 20th to August 24th

Look out 007-the Mad Science Spy Academy is here! From decoding messages to metal detectors and night vision, campers have the opportunity to check out spy tech equipment and everyday take home lots of gadgets like a **Mad Science UV Fingerprint Finder!** Step into the shoes of a detective as you uncover the science involved in evidence gathering and analysis! Figure out the science of forensics in a hands-on look at crime scenes! Become a super spy and learn clever ways of performing tasks as we take a hands-on view of the science that spies use!
