5 pm - 7 pm

Thursday, September 21
Chenal Country Club
9 am - 1 pm

To successfully protect the collective interests of trucking companies in the political and regulatory arenas, the Arkansas Trucking Association must maintain and operate a strong political action committee (PAC).

PACs educate policymakers, promote advocacy efforts and financially support public officials and candidates who support an organization's agenda. Association PACs are funded by voluntary contributions, completely apart from the organization's general treasury.

We are pleased to offer two opportunities to support our PAC and engage with business leaders from the ATA Board of Directors, our 40 Under 40 Council, and other local and state dignitaries.

On **Wednesday evening, September 20**, come to the table for an exclusive reception with food, drinks and live music at one of Little Rock's finest restaurants, Table 28.

We then invite you to play for the PAC on **Thursday morning, September 21**, at Chenal Country Club at our annual fall golf tournament.
