

Fierce Conversations Training

4 Day Workshop

Dates: May 12–15, 2019

Cost: \$750 per person

Good feedback, well delivered, is a gift.

Fierce Conversations training teaches attendees how to have vital conversations that interrogate reality, provoke learning, resolve tough challenges and enrich relationships. While no single conversation is guaranteed to change the trajectory of a career, a congregation, a relationship, or a life, any single conversation can.

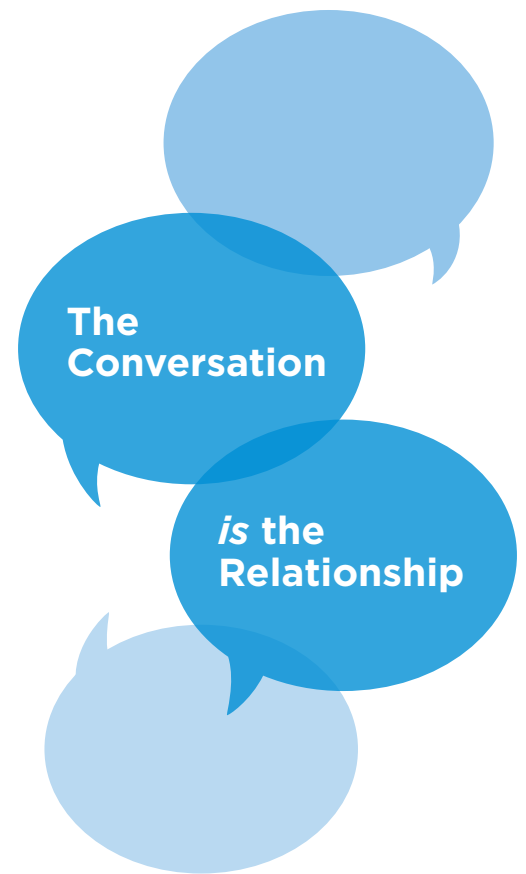

These workshops will provide sixteen hours of experiential training on how to have more productive conversations. The skills learned will be immediately applicable to one's personal and professional life. As accredited providers for Fierce, Inc. in the Episcopal Church, the faculty of the Nicholas Center has provided Fierce training in a variety of church and diocesan contexts.

Cost includes all meals, single room accommodations with private baths,

training, and materials. Groups from congregations and/or dioceses are encouraged to attend together. Each workshop is limited to a maximum of 14 participants. Groups of 10 or more are welcome to arrange their own private Fierce training.

Online registration is available at www.nicholascenter.org. Contact Courtney Reid about scholarship opportunities.

Workshops are held at the Nicholas Center, a ministry of the Episcopal Diocese of Chicago. The center operates in partnership with Living Compass, and offers programs to strengthen clergy and lay leaders for service in the church and the world.
