

NORTH DAKOTA DEPARTMENT OF  
PUBLIC INSTRUCTION

# STRATEGIC VISIONING SESSIONS FOR NORTH DAKOTA EDUCATION

## WHO

North Dakota Department of Public Instruction

## WHY

Superintendent Baesler launched a strategic visioning process to strengthen public education in North Dakota

## How

Through four regional forums, parents, students, community members, teachers and administrators are invited to provide input into this strategic vision

- Please plan to attend a forum most convenient to you
- Information shared on the current state of North Dakota education and draft strategic vision
- Participant will then take part in small group discussions to provide feedback and ideas on specific approaches to improving results for all North Dakota students
