Network *Listening* Tour 2017

Throughout the month of January, N.D. Afterschool Network Coordinator Becky Mueller will be traveling the state to visit with anyone she can that has a vested interest in out-of-school-time programming. This means YOU!

We encourage parents, school administrators, those involved in community development and more! A brief Network update will be provided, but the rest of the time is devoted TO YOU: listening to your ideas, discussing obstacles, collaborating on possible endeavors and whatever else comes up. JOIN US!
