The Poor Man's Guide to Moulage
(4 CE credits)

1:00 PM-5:00PM

This four-hour workshop is designed to aid the instructor in creating realistic moulage and scenes without costing a fortune.

Objectives: After this session, the participant will be able to:

1. Describe at least five principles of moulage.
2. Identify at least two sources for obtaining moulage.
3. Identify at least three sources to obtain props for scenarios
4. Properly moulage a simulated patient given a specific injury or pathophysiology.

Credits: 4 Instructional Technique

AVAILABLE AFTERWARDS FOR INDIVIDUAL QUESTIONS
