

# SUMMER!

ECC Families,

Welcome to the summer session at Presentation ECC. We are excited that you have chosen to join us for the summer months! We will be doing many engaging and educational activities along with our field trips. With this letter you will find a copy of our summer calendar listing our weekly activities and field trips, permission slips for all field trips and walking trips to the library, sunscreen/bug spray parental consent form, and any additional paperwork you will need if you are enrolling your child for the first time at our preschool. If your child is new to the center or they are a part-time student during the school year we will be collecting the activity fee. This fee helps offset the cost of the additional activities and field trips we provide during the summer session. This fee will help to cover the cost of field trip fees, bus transportation, in center entertainment, and additional materials. Current students enrolled year round should have already paid the activity fee in August. The activity fees are due by June 4 and are listed below.

Toddlers/Twos – \$60.00

Preschool/Pre-K – \$110.00

Thank you for joining us and we look forward to a summer filled with laughter and learning! See you then!

## Supplies Needed
