ABOUT THE NEW MEXICO YOUNG AMERICA FOOTBALL LEAGUE

Welcome to the New Mexico Young America Football League. For 52 years, we've remained New Mexico's largest, most exciting gathering of youth Football Players in the Southwest! Our non-profit organization is dedicated to providing youth an opportunity to participate in a program designed to build leadership skills, character and good **SPORTSMANSHIP!**

The New Mexico Young America Football League (NMYAFL) is a non-profit corporation dedicated to teaching football and cheer for boys and girls in Albuquerque, Belen, Los Lunas, Rio Rancho, Bernalillo and other surrounding areas. Every year we provide over 3500 boys and girls the opportunity to participate and compete in both youth football and cheer. In addition, we also provide scholarships to those in need. Our league has an "Everybody can Play" philosophy and each year we budget well over **\$30,000** towards scholarships for deserving children. We have several League sponsorship opportunities which include: Golf Tournament Sponsor, Game of the Week Sponsor and Title Sponsor of our Championships. Your League sponsorship is how we are able to continue to provide scholarships to the kids in our community.

Each year we host our Playoff and Championship games that are broadcast live on cable channel 26 and streamed live on www.proviewnetworks.com. This season we will host 21 games over the course of the playoff and championship weekends starting October 13th 2018.

These Championships have a large in person, digital and on air media following. They are by far our most watched and exclusive sponsorship opportunities.

We are seeking commercial sponsors who wish to participate by promoting their businesses while partnering with our League. This is a unique and cost efficient way to advertise your business and to help the youth of New Mexico.

Please see the attached sponsorship rates. For more information on this opportunity, please contact the League Executive Director at (505) 328-1536 or email at executivedirector@nmyafl.org
