You will receive a \$40 check for each referral once your registration is paid in full. There is no limit! Make sure your referral friend has your registration number and name so that you can get credit at the time they register. Bring as many of your friends as you can!!

Cheer

Bring a friend who did not participate in NMYAC last year and
You will receive a \$25 check for each referral once your registration is paid in full!!

**** NMYAFL PREP 7 on 7 Passing League now available for Ages 5 through 14 ****

Play the game that is exploding in High Schools across the country. NMYAFL Prep(Youth) 7 on 7 Passing League provides a non-contact football experience & allows kids to understand the basic rules and fundamentals of the game.

******* Continued Team Placement Flexibility for 2018! *******

In 2014 for the first time NMYAFL allowed new players to play outside of their H.S. districts. Now the NMYAFL BOD will continue to allow returning registered fall football players to pick **ANY** Team for fall tackle football! But there are a few guidelines!

- Player **MUST** be a returning 2017 football player.
- Player **MUST** be registered for the fall 2018 season first before the Out of District Request to move is accepted.
- Out of District Transfer Request forms can **ONLY** be filled out and submitted at the NMYAFL Office.
- The requested team **MUST** have space available to allow your transfer
- Players **MUST** be moving from and to an existing team from the 2017 season
- Can **ONLY** move to an existing team if they already have **12 Returning 2017 Players from Previous Existing Team** registered for fall 2018 and you can only move to a newly created team if they have **12 New Players** registered for fall 2018 who did not participate in NMYAFL in fall of 2017
- Out of District Transfer Forms **will be available from February 12th**, the first open registration day through **June 30th at 2:00 pm**
- A Request is **NOT** a guarantee
- Request **MUST** be approved first before the move will be made.

There is now more flexibility in the league but that also means that if you are a Returning Player and you want to guarantee your spot on your existing team you should register during the Returning Player / Team Registration selected days. Coaches can use the team registration module to register their players and Parents can register their Returning Player individuals. Check your username and passwords now by making sure you can login to the www.nmyafl.org site.

If you are still experience difficulties registering your returning player, either please contact the NMYAFL office by email or phone to make us aware of any issues or you can come to the NMYAFL Office to register directly.

Open Registration will continue from February 12th until July 14th, 2018.
