CMA

Rink Manager

Position Description

The Manager is the chief executive officer of the rink and reports to the President of CMA and the CMA Board of Directors. The manager will be expected to attend CMA Board of Directors meetings to keep the board advised of matters of importance.

The Manager will be responsible for the programs; revenue and expense management, creation of an operating budget; staffing, including employment and scheduling; ancillary activities such as the pro shop and snack bar; and will oversee the management of the operation of the rink.

The Manager will be expected to promote the rink through development and marketing of existing and new programs, maintaining positive liaison with our active user groups and ice buyers to encourage existing and new activities, as well as liaison with local town units and sources of possible customers and supporters. The manager will also take an active role in fundraising programs and activities.

The Manager will strive to use the best practices available for continuing the focus of the organization as a safe, lawful, and positive community facility.
