*“Very good experience for all concerned. The pupils learnt a great deal and it has fired up the enthusiasm for netball in the school.”*

## Lake Garda - As a Destination

Lake Garda is Italy's largest and most visited lake. The lake is 51km long but only 17km wide at its widest point in the south. Picturesque villages, medieval castles, and lakeside promenades dot the shoreline. The lake has a diverse landscape with beaches along the southern shores and rocky cliffs above the northern shoreline. Lake Garda is known for its clear water; great for swimming in the summer. Windsurfing, sailing, and hiking in the many parks are popular activities.

Lake Garda is situated in northern Italy between Venice and Milan and set in an alpine region formed by glaciers at the end of the last ice age. The lake and its shoreline are divided between the provinces of Verona (to the south-east), Brescia (south-west), and Trento (north). The Dolomite Mountains are not far away and can be seen towering above the lake.

## Visions Netball Tour Hotel – Hotel Bella Peschiera

Hotel Bella Peschiera is a 3-star Italian hotel situated just a short walk from the lakefront and has an outdoor pool and sun terrace set in pretty gardens. You also have full use of the facilities at the sister accommodation, the Bella Italia, 500m away - including five more outdoor pools, a whirlpool and extensive sports facilities.

Its special attraction is the old town centre, which is in the middle of an enormous fortress in the form of a five-sided star and completely surrounded by water. There are many nice shops and small bars in the narrow lanes of the old town. Monday is market day and surrounded by the fragrance of grilled fish and the mutual calls of the market stallholders, you really get the impression of being right in the middle of Italy.

The hotel itself has been designed to provide maximum enjoyment and comfort of its guests and offers a 24-hour reception service. Its polite and friendly young staff members are there to ensure that all requirements are attended to in a courteous and helpful manner.

*“We had a wonderful week with superb Coaching and Umpiring and were delighted when we got back and our Under 19 Team won the County and qualified for the Southern Regional Finals of the National Schools Netball Tournament. The girls and staff learnt so much and we cannot wait to go again.”*
