

Week of April 16th

Mrs. Williams & Mrs. Chomer
Leader: Kenzie

Bible Verse: John 14:12

In my Father's house there are many rooms, I go to prepare a place for you

Bible Story:

Jesus goes to Heaven

State Standards: Social Studies, Demonstrates awareness of geographic thinking

Things to do at home:

While you are out taking a walk or driving around town, point out geographic features and landmarks to your child. Ask them to make a map of their bedroom or favorite park. Increasing your child's awareness of the location of things they care about in their environment facilitates further skills for geography in their future.
