Connecting Mid Council Leaders to
Learning, Support, and Advocacy

In our rapidly changing cultural environment, our mid-councils require creative, generous, and healthy leaders. These leaders go by many names – and we believe that it includes you. With this form, you are invited to join the Association of Mid Council Leaders. AMCL provides the collegial learning community for executive presbyters, general presbyters, stated clerks, synod executives, associate executives, presbytery staff, etc. AMCL is the learning, support, and advocacy community for Mid Council leaders in the Presbyterian Church (U.S.A.).

Every day, colleagues like you are engaging new challenges and embracing new opportunities as we serve our denomination's presbyteries and synods. For our councils to serve congregations effectively, AMCL membership provides important benefits, including:

1. Annual meeting and gatherings that promote community-building
2. Education, professional development opportunities and advertisement for your openings
3. 3-Year Presbytery Leadership Formation Program (PLF) for new presbytery executive leaders
4. Distance learning platform available for online learning communities
5. Dropbox for sharing resources, guidelines and policies
6. Information for mission intelligence, research, statistics
7. Support and advocacy for issues of shared concern

Starting in 2018: The first membership from a presbytery or synod is \$125.00. After that, each membership is \$50.00. This is because some of the dues go to fund the Presbytery Leadership Formation cohorts, which is available to the person in the executive (or equivalent) role. All members get access to gatherings, Moodle opportunities, Dropbox, and support. Please fill out one form per person. Dues can be combined in one check if more than one member is joining from your mid council.

Whatever your role or title, we believe that we are called to the "balcony-view" of leadership. AMCL gives you the access to colleagues who are doing this same work. Thank you for completing and returning the Membership Form today.

Thank you for your support. We are grateful to be in contact and glad to be in partnership. If there is any way that we can support you, please be in touch.
