

GLASS GYMNASTICS

The Ultimate Gymnastics Learning Experience -Where the fun never stops!

Ages 4 and up have the opportunity to participate in a program designed for boys and girls to develop gross motor and fine motor skills. All ages will be instructed, from beginner skills through advanced gymnastic skills (including tumbling skills required for cheerleading).

Gymnastics lends itself to the development of a body and is a self-motivating activity which, through proper instruction, can be rewarding in many areas. *Strength, flexibility, balance, endurance, and coordination* are some of the physical rewards gained through gymnastics. The development of *courage, self-control, self-confidence, and creativity* are just a few of the many other rewards one can gain through gymnastics. *No other training improves motor skills and body control better than GYMNASTICS.*

Classes are to be held here at school and are 45 minutes in length. The cost is \$120 for the Fall semester and \$300 for the Spring semester with a \$20 annual registration fee per student. Make-up classes are allowed, but must be pre-arranged with the instructor. You must be currently enrolled in class to do make-ups. If a student chooses to drop gymnastics, a \$20.00 re-entry fee will be charged. A written notice is needed when you choose to drop.

NOTE: Tuition is due at the first class each semester. A late fee of \$15 will be charged after the 2nd class of the semester. There will be a \$20 charge on any checks returned to us. Please make check payable to:
