

## Private Applicator Training

Texas AgriLife Extension Service, Jim Hogg County, Duval County, and Texas Department of Agriculture are offering certification and recertification training for private pesticide applicators. The purpose of this training is to obtain a Private Applicator License from Texas Department of Agriculture. This license will enable the applicator to purchase and apply state limited use and federally restricted chemicals on his land or land he has control of for the purpose of production of agricultural commodities. All farm and ranch operators who **do not** have a Private Applicator's License to purchase "**restricted use**" pesticides (such as 2, 4-D, Grazon P+D, Tordon 22K, etc.) **will need** to attend this training.

When: Friday, June 23, 2017

Time: 9:30am-2:30 p.m. Lunch will be provided.

Where: Garza Party Barn  
FM 339, 2 MILES NORTH OF  
BENAVIDES, TEXAS 78341

The training is given by Matthew Dudley, County Extension Agent – Natural Resources for Jim Hogg County, and John Barton, County Extension Agent-Agriculture and Natural Resources for Duval County. There are two training manuals that can be purchased for \$60 that are used in the class. Having these manuals in advance will help you become familiar with pesticide prior to attending the training. A \$20.00 Cost Recovery fee in addition to a fee for lunch will be collected at registration day of the training.

If you are interested in obtaining a Private Pesticide Applicator license, please contact Matthew Dudley: at (361) 527-3737 in the Jim Hogg County Office or, his cell phone: (210) 422-3751, or Jennika Cantu; Duval County Extension Office at (361) 256-4591 to RSVP and to purchase the training materials for \$60.00 and a \$20.00 fee will be collected at the day of the training. Make check payable to: TEXAS A&M AGRILIFE EXTENSION SERVICE.

*Extension programs serve people of all ages regardless of socioeconomic level, race, color, sex, religion, disability or national origin. The Texas A&M System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating.*
