RHODES
STATE COLLEGE

Lean Essentials

The Basics

WE'RE READY WHEN YOU ARE!
YOUR VIRTUAL CLASSROOM

Lean Essentials, the Basics!

~Produce what is needed, when it's needed with less labor, cost, inventory, or time.
~Reduce waste and improve process efficiency.
~Understand Lean concepts and how to apply them.

Course Objectives:

• Define Lean, its importance, benefits, and objectives.
• Describe Lean tools, methodologies, and levels of deployment.
• Identify the roles and responsibilities of the Lean implementation team.
• Discuss how these roles can be integrated into an organization.

CAUTION: This 15 module course is intended to open your "Lean Eyes"! Lean Eyes allow one to easily identify waste. Once those eyes are open, you can't close them. You will be compelled to do something about it!

Rhodes State College is a Tobacco Free Campus.

Rhodes State College changes lives, builds futures and improves communities through life-long learning.

Workforce, Economic Development and Continuing Education (WEDCE)

Why choose this Lean Program?

~Class begins when you are ready for it.
~Fits your schedule.
~Virtual classroom.
~Delivers high quality curriculum in a cost effective way.
~You also have access to local experts.
~The process is engaging and fun.
~Learn at your own pace.
~Scientific approach to change that is intuitive and easy to do.
~Lean projects engage staff because they are involved in the research and decision making process.
~Virtually any one can do it.

~*Need a little extra help? Just ask!*

Coaching and mentoring services are available upon request from Certified Master Black Belts and Certified Black Belts.
