WEDNESDAY, SEPTEMBER 26, 2018 8AM TO NOON

LOCATION: RHODES STATE COLLEGE

Organizations have long recognized that the knowledge and experience of employees constitutes a valuable, intangible asset. Learn how to implement formal and informal knowledge sharing activities that help your company identify critical at-risk knowledge and expertise.

In this interactive workshop, participants will use activities and how-to exercises while learning:

- The six-step knowledge transfer process
- How to foster a learning climate in their organizations where everyone feels welcome to share their expertise and their knowledge

This workshop will be of special interest to:

- Upper-Level Managers
- Supervisors
- Human Resources Professionals

We recommend at least two participants from each organization attend to gain the most benefit and successful launch of the Knowledge Transfer Took Kit used in this training.

Please use the registration form on the next page to enroll today. **Registration deadline is August 26, 2018.**
